

Knowledge of the Slovenian language

The study is conducted in the Slovenian language. Students must pass an exam in the Slovenian language (basic level) by the end of their studies.

Candidates can read more information about the possibilities of taking the Slovene language exam on the website of the Ministry of the Interior, where information for foreigners is published.

Candidates who have completed primary and / or secondary school in Slovenia or bilingual secondary school abroad (second language Slovene) are not required to take an examination in Slovene. Candidates who have completed their undergraduate studies in Slovenia are also not required to take the Slovene language exam.
