### Predmetno specifične kompetence / Course Specific Competencies:

Študent bo pridobil znanje in spretnosti na naslednjih specifičnih vsebinskih področjih:  PSP 1: Značilnosti organizacije, funkcijska področja in razmerja med njimi; PSP 16: Raziskovalna metodologija na vsebinskem področju predmeta; PSP18: Splošna razgledanost na vsebinskem področju predmeta.	Student will acquire knowledge and skills in the following specific areas:  PSP1: Organizations' characteristics, functional areas and the relationships between them; PSP16: Research methodology in the fields of the course; PSP18: General overview of the course content area.
-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

**Predvideni študijski rezultati / Intended Learning Outcomes:**

<p>Študent doseže naslednje študijske rezultate:</p> <ol style="list-style-type: none"> <li>1. Razume delovanje visokošolskega sistema v Sloveniji in tujini z vidika deležnikov in dejavnosti v visokem šolstvu.</li> <li>2. Pozna vlogo, pristojnosti in odgovornosti visokošolskih zavodov z vidika kakovosti, upravljanja in financiranja</li> <li>3. Kritično interpretira podatke o študentih, diplomantih in zaposlenih v visokem šolstvu.</li> <li>4. Razume pomen podatkov za učinkovito zagotavljanje kakovosti.</li> <li>5. Kooperativno sodeluje s člani v skupini.</li> <li>6. Kritično ovrednoti odnose deležnikov visokega šolstva in medsebojne povezave.</li> <li>7. Uporablja metode raziskovanja pri daljšem pisnem izdelku.</li> <li>8. Povezuje lastnosti visokega šolstva z lastno študijsko izkušnjo.</li> <li>9. Argumentira lastna stališča in polemizira o izzivih v visokem šolstvu.</li> <li>10. Prepozna probleme in izzive v visokem šolstvu ter kritično razmisli o primernih rešitvah.</li> </ol>	<p>Student achieves the following learning outcomes:</p> <ol style="list-style-type: none"> <li>1. Understands the functioning of the higher education system in Slovenia and abroad in terms of stakeholders and activities in higher education</li> <li>2. Knows the role, jurisdictions and responsibilities of higher education institutions in terms of quality, governance and funding.</li> <li>3. Critically interprets data on students, graduates and employees in higher education.</li> <li>4. Understands the importance of data for effective quality assurance.</li> <li>5. Is cooperative with members of the group.</li> <li>6. Critically evaluates the relationships of stakeholders in higher education and their interconnections.</li> <li>7. Uses research methods in their final written assignment.</li> <li>8. It connects the properties of higher education with its own academic experience.</li> <li>9. It argues its own views and polemizes on challenges in higher education.</li> <li>10. Recognizes problems and challenges in higher education and provides appropriate solutions using critical consideration</li> </ol>
-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

**Oblike in metode poučevanja in učenja / Types and Methods of Teaching and Learning**

<b>Oblike dela</b>	Frontalna oblika poučevanja; Delo v manjših skupinah; E-učenje, Samostojno delo študentov
<b>Types of Teaching and Learning</b>	Frontal teaching; Work in smaller groups or pairs; E-learning, Independent student work
<b>Metode dela</b>	Razlaga; Razgovor/diskusija/debata; Delo z besedilom; Javni nastop; Gost iz prakse
<b>Teaching and Learning Methods</b>	Explanation; Conversation/discussion/debate; Work with text; Public presentation; Guest from practice

**Načini ocenjevanja v % / Types of Student Assessment**

Sprotno ustno ocenjevanje / Oral Assessment	/
Sprotno pisno ocenjevanje / Written Assessment	50 %
Daljši pisni izdelek /Longer written casework <sup>1</sup>	30 %
Javni nastop s predstavitvijo rezultatov / Presentations <sup>2</sup> /	20 %
Končni pisni izpit / Final oral examination	/
Končni ustni izpit / Final oral examination	/
Udeležba in sodelovanje / Participation and cooperation	/
<b>Lestvica ocenjevanja / Grading scale</b>	številiska / numeric

**Obveznosti študenta/ Student obligations:**

Obveznosti je možno opraviti le med izvedbo predmeta, saj delo poteka tudi v skupini, ocenjuje pa se delo posameznika ter prispevek posameznika k skupini in delo skupine kot celote.	Obligations can only be performed during the course, as the work also takes place in a group, and the work of the individual and the individual's
